Sheet 403 Canton Municipal Utilities (Name of Utility Organization or Other Service Agency) Certificated Area in Madison County, Mississippi (Rate Area to Which Rate is Applicable) Water TYPE UTILITY SERVICE (Electric, Gas, Telephone, Water, Sewer) CLASS OF SERVICE (Residential, Commercial, Industrial, Rural, etc....) (The space below is for a statement of availability, character of service, rate, minimum charge, terms of payment, special conditions, and minimum contract period pertinent to the application of this particular rate schedule.) <div style="text-align: center;">AVAILABILITY OF SERVICE</div> Service is available in the Certified Service Area subject to the Service Extension Policy and other duly approved charges and fees herein. <div style="text-align: center;">SERVICE EXTENSION POLICY</div> Application of Policy: The Service Extension Policy of Canton Municipal Utilities shall apply in those instances where the service in question is not readily available from a point on the existing system without a system extension and/or where the quantities are beyond the ability of the system to supply at the point where the service is requested. Application for Service: In such instances, the prospective customer shall make a written application for service in which he shall state the quantity of water service desired, the pressure desired and clearly define the point at which service is desired. Estimate of Cost and Availability of Service: Canton Municipal Utilities will estimate or cause to be estimated the cost of providing the service requested at the point requested and will perform or cause to be performed a rate of return analysis based on the estimated total connection cost (except meter) and projected water consumption in order to consider the terms under which such service may be extended. <p>(The space below is for a statement of availability, character of service, rate, minimum charge, terms of payment, special conditions, and minimum contract period pertinent to the application of this particular rate schedule.)</p> <p style="text-align: center;">SERVICE RULES AND REGULATIONS</p> <p>All new service applicants must give CMU an easement across the entire frontage of their property at the time service is requested.</p> <p>Cash Deposit: A cash deposit will be collected from each prospective customer to provide a guaranty for payment of indebtedness for water service. Upon termination of service, this deposit shall be refunded only if the customer's account is up to date with no balance due. In case of delinquency in payment for service and/or for damage or loss of property, CMU shall apply such a deposit to any amounts, and the customer will be refunded the balance, if any.</p> <p>For commercial customers only: A new or additional deposit may be required upon two weeks written notice of the need for such a requirement in cases where a deposit has been refunded or is found to be inadequate, or where a customer's credit standing is not satisfactory to CMU. The service of any customer who fails to comply with these requirements will be discontinued upon two weeks written notice.</p> <p>Cash deposits which are held for one (1) year or more, shall earn simple interest as set by the Mississippi Public Service Commission and the Legislature in Section 75-17-1(1) of the Mississippi Code of 1972, as amended. All accrued interest held by CMU shall be credited to the customer's account on or before July 1 of each successive third year during which service is connected. The principal sum of the cash deposit and any unpaid interest shall be applied to the customer's final bill, and any excess amount shall be paid to the customer. Cash deposits held for less than one year shall earn no interest.</p>
